FOUR PLAYS EBOOKS 2019

Author: Alexander Ostrovsky

Release Date: Expected @@expectedReleaseDate@@

Four classic Russian plays. According to the introduction, "ALEXANDER NIKOLAYEVICH Ostrovsky (1823-86) is the great Russian dramatist of the central decades of the nineteenth century, of the years when the realistic school was all-powerful in Russian literature, of the period when Turgenev, Dostoyevsky, and Tolstoy created a literature of prose fiction that has had no superior in the world's history. His work in the drama takes its place beside theirs in the novel. Obviously inferior as it is in certain ways, it yet sheds light on an important side of Russian life that they left practically untouched."
