"Prayer changes things." It's a common saying, and too often Christian discussion of prayer deals only with how we can change other things and other people through prayer. But what if prayer is much more than we imagine? What if it is also the means of correcting our relationship to the Creator and at the same time of changing our relationships with one another? Perhaps prayer can ultimately help transform our theology, what we believe about God, into character and action.

In *Ultimate Allegiance*, Dr. Bob Cornwall takes us to the Lord's Prayer, a short and simple prayer that is well-known and often recited. But in each of its major petitions, he finds deep meaning that challenges us to think and to change. In fact, this prayer of Jesus brings us to the ultimate question of just where we should place our ultimate allegiance.
